

## Financial Year 1 April 2014 – 31 March 2015

TDBC implemented the Community Infrastructure Levy on 1 April 2014.

This Report details CIL monies received and spent from 1 April 2014 – 31 March 2015.

### **CIL MONIES RECEIVED TO MARCH 2015.**

This table identifies each CIL payment received and shows how it is apportioned in accordance with the Community Infrastructure Regulations 2010 (as amended). These regulations state that 5% of the CIL collected over the period of years one to three may be applied to administrative expenses. 15% of each CIL payment is passed on to the Parish in which it was collected. This Parish payment is capped at £100 per existing council tax dwelling within the Parish. If a Parish has a Neighbourhood Plan in place this payment increases to 25% of each CIL payment and is uncapped. The Neighbourhood Development Plan must have been adopted BEFORE the planning consent was granted.
