

Financial Year 1 April 2017 – 31 March 2018

TDBC implemented the Community Infrastructure Levy on 1 April 2014.

This Report details CIL monies received and spent from 1 April 2017 – 31 March 2018.

CIL MONIES RECEIVED TO MARCH 2018.

This table identifies each CIL payment received and shows how it is apportioned in accordance with the Community Infrastructure Regulations 2010 (as amended). These regulations state that 5% of the CIL collected over the period of years one to three may be applied to administrative expenses. 15% of each CIL payment is passed on to the Parish in which it was collected. This Parish payment is capped at £100 per existing council tax dwelling within the Parish. If a Parish has a Neighbourhood Plan in place this payment increases to 25% of each CIL payment and is uncapped. The Neighbourhood Development Plan must have been adopted BEFORE the planning consent was granted. In the case of Outline and Reserved Matters applications the Plan must have been adopted BEFORE the Reserved Matters application is approved.
