### **REGULATIONS I understand that:**

- Whilst I own the Rights to the Grave, I do not own the land. I am the only person who can authorise interments within this space and apply for a memorial to be placed upon the grave.
- The Rights to the Grave do not automatically transfer to any living spouse / child etc. upon my death and that I remain the Grave Owner until ownership is officially transferred by Bereavement Services.
- No memorial will be placed upon the grave by anyone other than a Monumental Mason registered within the Taunton Deane Bereavement Services' Scheme and that I have been provided with a full list of these.
- Only the type of Memorial I have selected will be placed on this grave.
- The grave will remain clear of all items other than flowers. Any additional items will be removed from the grave to allow the Bereavement Services to maintain the lawn safely and without risk of damaging personal property.
- The Exclusive Right of Burial is granted for a period of *(please select)*  
75 years   
99 years   
from the date when the grave is purchased. After this time the burial rights revert back to the Council.
- A Deed of Grant will be sent no later than one week after the application has been received. This will then be given to the Bereavement Services team in advance of any future interments into this grave.

**I accept and agree to conform to the Regulations made by the Council which have been provided to me (please read the Regulations above before you sign below)**
