

Somerset West & Taunton Council - Pay Policy Statement 2021/22 – Appendices

Appendix A

1. Background

The Pay Policy Statement is intended to bring together sufficient information about the different elements of the local authority's pay policies to enable local taxpayers to reach an informed view about local decisions on all aspects of pay and reward for employees. It also provides the context for the more detailed financial information that is already published by local authorities under the Code of Recommended Practice for Local Authorities on Data Transparency and by the Accounts and Audit (England) Regulations 2011.

2. Post Transformation

Somerset West and Taunton Council came into effect on the 1st April 2019 and a full organisational restructure was finalised over the subsequent months. The majority of the roles created from the transformation structure remain as was however, more recently, the Council has been organised into Directorates. This has resulted in Directors and Assistant Directors being appointed and was followed by a transfer of employees into those Directorates.

3. Pay Arrangements for 2021/22

This pay policy statement for Somerset West & Taunton Council represents the position on the pay structures and other elements of the remuneration package for staff up to 31 March 2021.

Early indications are that there will be no national pay award for 2021/22, this document will be updated if the position changes during the course of the year.

4. Policy statement

Somerset West & Taunton Council is committed to ensuring transparent, fair and equitable pay and reward arrangements that provide value for money and enable the recruitment and retention of employees with the skills and motivation to deliver high quality services for the council and its communities. The policies that support these objectives are summarised in this document.

5. Scope

The pay statement describes the pay arrangements that apply to the Senior Leadership Team (the senior employees) and the lowest paid employees.

For the purpose of this pay statement **senior employees** are defined as those staff in the top tiers of management; the Chief Executive, 4 Directors, and 10 Assistant Directors

The pay and grading of employees, other than senior employees, are currently set using pay structures divided into grades within which there are spinal column points setting the pay rates. Posts are allocated to a pay grade through a process of job evaluation.

The current pay and grading structure for the workforce is set out in the attached Appendix B. This reflects the national pay award of 2.75% agreed as of 1 April 2020. All individuals who were employed at this date onwards had their pay aligned to the current pay structure and were back paid any monies owing to them. The Council also provide leavers employed from 1 April 2020 with any monies owing to them to their termination date.

For the purpose of this statement the **lowest paid employees** are defined as follows:

- Those who receive a salary equivalent to Grade C on the Council's pay structure. This is because no employee of the council is paid at a grade lower than Grade C (apprenticeships and casual employees are excluded). The lowest salary on the Grade C band as at 31 March 2021 equates to an hourly rate of £10.23 which is above the National Living Wage hourly rate (£8.72 as at 1 April 2020, moving to £8.91 on 1 April 2021).

The Council is required, for the purposes of this statement, to define the 'lowest paid employees' and also to explain why it has adopted this definition.

Other than the posts set out above (senior employees) and recognised apprentices, all posts within the council have been subject to job evaluation to assess the value of the job content and then, subject to that value, have been placed in an agreed grade.

The Council will therefore define the lowest paid employees as those on the minimum pay points as these (apart from apprentices and casual employees) are the lowest hourly rates paid to employees of the Council. The Council has adopted this definition, as it can be easily understood.

6. Remuneration of senior employees

As part of the annual Pay Policy Statement the Council must state:

- (a) The elements of remuneration for each senior employee
- (b) The policy for determining the remuneration of senior employees on recruitment.

The Senior Leadership Team are employed on fixed pay points for all posts within the top tiers and therefore remuneration in terms of salary will be fixed on appointment.

Any other elements of remuneration, as set out in Appendix A, that are relevant at the point of recruitment are highlighted accordingly.

The Leader will, after taking independent pay advice from South West Councils or similar, recommend the remuneration package on appointment to the above posts to Full Council prior to advertisement of any vacancy. The remuneration package will then have been subject to the approval of Full Council.

- (c) How any increases and additions to remuneration for each senior employee are made:

Annual cost of living pay awards are negotiated nationally by the National Joint Council (NJC) for Local Government Services and, where a pay award is agreed, these will be applied to the fixed pay point of the employee. The

increase awarded to employees on the 1 April 2020 was 2.75%. As highlighted above it is anticipated that 2021/22 will see a 0% increase.

The Council has the ability to determine certain Local Government Pension Scheme Discretions. The Pension Scheme Discretions which have been adopted by Somerset West & Taunton Council are included in the annual Pay Policy Statement.

The post of Chief Executive is employed on the Terms and Conditions of Employment agreed by the Joint Negotiating Committee (JNC) for Chief Executives and all other senior employees are covered by the Terms and Conditions of Employment agreed by the JNC for Chief Officers, all of which are supplemented by local terms and conditions agreed by Somerset West & Taunton Council as the employer.

- (d) The use of performance-related pay for chief officers.

The council does not operate performance related pay schemes for any of its staff.

- (e) The use of bonuses for senior employees.

The council does not operate bonus schemes or bonus payments for any of its staff.

- (f) The approach to the payment of senior employees on their ceasing to hold office under or to be employed by the authority

Any termination payments to senior employees on ceasing office will comply with the policies current at that time, which will have been approved by the Full Council of the employing authority. No additional termination payments will be made without the approval of the Executive/Cabinet, this will include any settlement agreements, which may be subject to a confidentiality clause. The current Redundancy Policy and Retirement Policy is included in the Pay Policy statement in the appendices.

Should severance payments for staff exceed £95,000 (effective 4 November 2020), they will be reported to Full Council for approval and in presenting information to Full Council the components of the relevant severance package will be clearly set out. These components may include salary paid in lieu, redundancy compensation, pension entitlements, holiday pay and any bonuses, fees or allowances paid.

- (g) The remuneration of senior employees who return to Local Authority employment.

Where the senior employee:

- (i) Was a previously employed senior employee who left with a severance payment and applies to return as a senior employee.

Executive/Cabinet approval would be required to authorise re-employment within the authority of a previously employed senior employee who had left with a severance payment and is seeking re-employment.

- (ii) Was previously employed by the same authority and applies to return as a senior employee under a contract for services.

Executive/Cabinet will be required to approve any award of a 'contract for services' to a senior employee who has previously been employed by the authority.

- (iii) Is in receipt of a Local Government Pension Scheme Pension.

If an employee receiving a pension from the Local Government Pension Scheme becomes re-employed then their pension could be affected. This will apply where the pension in payment arose for a reason that resulted in a strain cost being paid by the employer (e.g. redundancy, interests of efficiency, ill-health, early retirement with consent or flexible retirement). If their pension plus the earnings from their new job is higher than the final pay their pension was calculated on, then their pension will be affected. For every pound that their earnings plus pension exceed previous pay, then their pension will reduce by a pound. This abatement will last for as long as the person exceeds their limit (so either when the new job ends or they reduce their hours so their earnings drop down below the acceptable level).

The Chief Executive is the appointed Returning Officer for Somerset West & Taunton Council and receives a fee for County, District and Parish Council and for Parliamentary Election duties. The fee for undertaking this role varies from year to year and is not subject to this policy since fee levels are set regionally and nationally.

7. Remuneration of other employees

As explained in paragraph 5 above, the pay structure for all other employees consists of grades and incremental points set out in the attached appendices. Grades are allocated to jobs through a process of job evaluation which establishes the relative value of different jobs within the workforce. The council uses the Greater London Provincial Council Scheme for job evaluation. Salaries for all employees (including senior employees) are subject to increases agreed under national pay award settlements.

The council's pay structure creates the basis of the relationship between the pay of all employees within the scope of the Pay Policy Statement.

The maximum salary for the post of Chief Executive is approximately 6:1 times the maximum salary of the lowest paid employee in the workforce (£120,526 - £19,698). The ratio has not changed from last year.

The maximum salary of a Director is approximately 5:1 times the maximum salary of the lowest paid employee in the workforce (£102,750 - £19,698). The ratio has not changed from last year.

The maximum salary of an Assistant Director is approximately 3: 1 times the maximum salary of the lowest paid employee in the workforce (£66,788 - £19,698). The ratio has not changed from last year.

The maximum salary for the post of Chief Executive is 4:1 times the median FTE salary (£29,577). The ratio has not changed from last year.

The maximum salary for the post of Chief Executive is approximately 4:1 times the mean FTE salary (£31,600). The ratio has been rounded up but has not changed from last year.

8. Transparency and Publication of Data

The council will publish the Pay Policy Statement on the Somerset West & Taunton Council website alongside other information relating to transparency/open government and this can be found on:

www.somersetwestandtaunton.gov.uk

9. Review

The Localism Act requires councils to prepare and publish a pay policy statement for each financial year. The next statement is due for publication before 31 March 2022.

Appendix D – Somerset West & Taunton Council Redundancy & Redeployment Policy

Implementation date of policy **1st February 2020**

Review date 1st February 2021 (part of HR Policy Review)

Redundancy and Redeployment Policy

Introduction

This policy covers all redundancy situations that may arise within the structure of Somerset West and Taunton Council

The Council recognise a responsibility to safeguard the job security and prospects of their employees as far as possible.

Scope

The policy applies to the employees of the Council

Aims

The aim of this policy is to set out a clear and fair process for handling redundancies. In doing so, it ensures employees, managers and UNISON are clear of the procedure that is being followed through any redundancy process.

As far as possible, the Council will seek to avoid or minimise the need for compulsory redundancies, this policy sets out the ways in which the Council will do this which now includes pay protection.

Redundancy Procedure

Consultation

Where the possibility of redundancies is identified the Council will inform and consult with the relevant trade union representatives as early as possible and before any formal decisions have been made. As part of the consultation the Council will provide the following information:

- the reasons for the proposed redundancies;
- the numbers and descriptions of employees it proposes to make redundant;
- the total number of employees of those descriptions employed at the establishment in question;
- the proposed method of selecting those who may be dismissed;
- the proposed method of carrying out the dismissals, including the period over which the dismissals are to take effect;
- the proposed method of calculating any redundancy payments;
- the number of agency workers working temporarily for, and under the supervision and direction of, the employer;
- the parts of the employer's business in which the agency workers work; and
- the type of work that the agency workers carry out.

Formal consultation shall be deemed to commence on the date when these details are given in a letter to the Branch Secretaries of UNISON.

Consultation timescales will depend upon the scale of potential redundancies and will be as follows:

- A minimum of 30 days before the first dismissal takes affect where up to 99 employees are to be made redundant over a period of 90 days or less; or
- A minimum of 45 days before the first dismissal takes affect where more than 100 employees are to be made redundant over a period of 90 days or less.

Any consultation responses received in time will be included in any committee reports to be considered by the appropriate Committee.

Measures to avoid or minimise compulsory redundancies

The Council will, in consultation with the appropriate trade union representatives explore any options to avoid or minimise the need for compulsory redundancies. Alternatives may include (not in order of priority):

- Reductions through natural staff turnover (i.e. not automatically replacing employees who leave);
- Seeking volunteers for redundancy;
- Redeployment, including retraining where appropriate;
- Stopping or reducing overtime other than contractual or emergency overtime;
- Restrictions on permanent and/or external recruitment;
- Termination of casual or agency worker arrangements;
- Flexible retirements/voluntary reduction in hours.

Employees 'at risk' of redundancy

Notification of 'at risk' status

As soon as practicable after the unions have been informed of the potential for redundancies, any individuals affected will be informed that they are 'at risk' of redundancy and that consultation has commenced. An individual will be identified as being 'at risk' of redundancy if their current post does not exist in a new structure or there will be a reduction in the number of the same post in a new structure. This will be confirmed in writing with an estimate of any redundancy payment and if applicable, pension payment due.

Throughout the consultation period, further meetings (usually mid consultation and at the end of the consultation period) will be arranged with individuals 'at risk' of redundancy to discuss any concerns, redeployment opportunities, any selection processes etc. Records of any discussions will be kept on the employee's personal file.

Rights of employees 'at risk'

Employees 'at risk' of redundancy have certain rights. The Council will make every effort to redeploy the individuals within the Council's' services.

Employees are entitled to reasonable paid time off to look for alternative employment. This may include time off to attend interviews or attend relevant training courses. A reasonable amount of time is considered to be up to two days per week (pro rata for part-time employees). Such time off must be arranged in advance with the line manager.

A central register of employees 'at risk' of redundancy will be held by the People Function and those employees put 'at risk' will be informed by the People Function of all relevant vacancies arising within the Council. Efforts will be made to redeploy employees within the

Council to retain skills, knowledge and experience and reasonable training will be provided if necessary.

The Council will make every effort to facilitate employees search for new employment, either through in-house support or, on occasions, outplacement specialists. Support may include; advice on writing application forms or preparing CVs, interview tips, coaching etc.

Selection for redundancy

Once a proposal for a restructure or reduction in headcount is approved and where compulsory redundancies are unavoidable, the ring fence arrangements and process of selection for redundancy will be agreed with UNISON. It may include some or all of the following criteria:

- Attendance records (other than absences covered by the Equality Act 2010);
- Disciplinary records ('live' warnings only);
- Skills and experience;
- Past performance records;
- A selection interview.

If a function or service is to be discontinued all employees directly related to the provision of that function will automatically be selected for redundancy.

If there is to be a reduction in the number of posts but the job descriptions remain largely unchanged, (i.e. duties are more than 80% the same). Selection will be based on agreed criteria and made by a selection panel that comprises of a higher level of management, at least one member of the Senior Leadership Team (SLT) and a representative from the People Function.

If a restructure involves the creation of new roles, selection for redundancy will be dependent on success at interview for those new roles. A new role is one where the duties are more than 20% different. A ring fence of employees that can apply for the new posts will be agreed with UNISON and will be based on job type, grade and/or salary levels. The appointment panel should consist of managers from a higher level of management, at least one member of SLT and a representative from the People Function.

This appointment process does not apply to posts named as Scheduled Posts on the constitution, for example the Chief Executive, as these appointments require an Appointments Committee, comprising of at least one member of each of the Councils' Executive/Cabinet.

The employee/s selected for redundancy will receive written notification of the reasons for their selection as well as their proper contractual notice in accordance with their contract of employment or statutory notice whichever is greater.

NB: The cost of redundancy is not a factor that will be taken into account when selection for redundancy is made.

Calculation of redundancy payments

Employees will be notified personally about their redundancy entitlements as soon as possible after they have been notified that they are 'at risk' of redundancy, including the compensation/severance payment in writing and details of any pension due where applicable.

The qualifying service in respect of redundancy payments is two years continuous local government service (in accordance with the Redundancy Payments (Local Government) Modification Order. Reckonable service is limited to the last 20 years before redundancy.

Statutory redundancy payments are made according to the following scale:

- (a) one and a half week's pay* for each year of employment during which the employee was aged 41 and over;
- (b) one week's pay* for each year of employment during which the employee was aged 22 to 40 inclusive;
- (c) half a week's pay* for each year of employment in which the employee was aged 21 and under.

* A week's pay is based on contractual pay and does not include occasional overtime or additional payments.

Appendix One includes a table with the number of statutory weeks entitlement according to age and continuous service.

If prior to the expiry of the employee's notice of dismissal an individual receives an offer of employment with a related employer (in accordance with the Redundancy Payments Continuity of Employment in Local Government Modification Order 1999) to start immediately or within four weeks of the end of the previous employment, a redundancy payment cannot be made by the Council.

Compensation/severance payments

The Council operate a discretionary enhanced redundancy payment scheme under the Local Government (Early Termination of Employment) (Discretionary Compensation) Regulations 2006, as compensation for the loss of employment on redundancy grounds. Details of the Councils' compensation schemes are annexed as Appendix Two.

Employees will be entitled to the discretionary compensation payment in accordance with the Compensation Policy

Redundancy and compensation payments will be made to employees within the next payroll run, provided that Payroll have been notified before the payroll deadline for that month.

Local Government Pension Scheme Payments

If you are age 55 or over, your main LGPS benefits are payable immediately without any early retirement reductions if the Council makes you redundant and you have met the two years **vesting period** in the Scheme.

Redeployment Procedure

Wherever possible employees will be redeployed to avoid compulsory redundancy.

The Council reserve the right in agreement with UNISON to apply a ring fence to new roles that are created as a result of any proposed restructures and offer them in the first instance to those employees at a similar job type grade/salary level within the existing structure and who have the relevant skills and experience that match the job description or person specification.

Where there is more than one employee that matches the role or a group of employees to more than one role, a selection procedure panel will take place that involves a formal interview and other recruitment selection procedures.

Where there is only one individual matched with the new position they will be slotted in.

All other vacancies arising within the Council where a suitable ring fence is not identified will be offered to employees 'at risk' of redundancy in the first instance. Such vacancies will be sent initially to the People Function who will check them against the 'at risk' register for any suitable candidates. Employees will be matched according to the essential criteria on the person specification, salary levels and preferred hours of work. Consideration must also be given to any reasonable appropriate training that will enable them to perform the duties of the role.

Any employees that meet the essential criteria will be made an offer of redeployment. Where more than one employee is matched to a vacancy a selection process will apply.

Any offer of redeployment will be made in writing and will include reference to a trial period, any training available, terms and conditions and protection arrangements if applicable.

Any employees that are redeployed into a new role will be given a 4 week trial period. This period may be extended by mutual agreement.

If the trial period is successful the employee will be sent written confirmation of any changes to terms and conditions. If the trial period is deemed unsuccessful by the manager, contractual notice will be reduced by the length of the trial period.

If an offer of redeployment is made by the Council and the employee decides during the trial period that they wish to reject the offer, they must advise the People Function in writing within the trial period.

An employee who believes that a job offer is not suitable alternative employment may claim a redundancy payment. However, this will only be paid where the Council agree that the job is unsuitable. The decision will be made by a Member of SLT, taking account of any changes to terms and conditions and the level of seniority.

Pay Protection

Pay protection will be available where employment on less favourable terms is offered to an employee as an alternative to redundancy. An employee's basic pay will be protected for up to two years if the reduction in their basic pay does not exceed 17.5%.

If, by accepting alternative employment, the reduction in an employee's basic pay exceeds 17.5%, pay protection is subject to the People Business Partner or the HR Specialist and the relevant member of SLT being satisfied that there is some tangible benefit to be gained by the Council, for example, in circumstances where pay protection would be less costly than an employee's redundancy.

During the pay protection period, an employee's basic pay is protected on a 'mark time' basis. 'Mark time' means that during the period of protection, an employee's basic pay is frozen and that any increments and annual pay awards applicable to their previous job are not paid to the employee.

Appeals

If an employee is aggrieved about their selection for redundancy they have the right of appeal. The appeal must be received in writing by the People Function within 10 working days of the decision being made. Refer to Council Appeals Procedure.

If the selection for redundancy was made by the Chief Executive the employee will have the right of appeal to be heard by an Appeal Committee comprising of at least one member of each of the Councils' Executive or Cabinet.

If the selection for redundancy was made by a Member of SLT other than the Executive, the employee will have a right of appeal to be heard by the Chief Executive.

All decisions made by the appeal panel are final.

Appendix E: Somerset West and Taunton Council - Compensation Policy

1. The Council operates a discretionary enhanced payment scheme as compensation for the loss of employment of redundancy grounds. The details of the Scheme are for information and may be amended from time to time at the discretion of the Council and after consultation with the Union. Please note the severance payments scheme is not legally binding.
2. Redundancy compensation will only be paid to staff with two or more years of service.
3. The Council exercises discretion under the Local Government (Early Termination of Employment) (Discretionary Compensation) Regulations 2006, to make compensatory payments to employees being made redundant based on a multiplier of **one and a half times** the number of weeks an employee would be entitled to under the statutory redundancy formula, inclusive of any statutory redundancy payment, up to a maximum of 45 weeks' pay. For the purposes of these calculations, a week's pay is defined as the employee's actual weekly pay, which is averaged over a twelve week period for employees whose earnings for basic hours (excluding overtime) varies from week to week. The maximum number of year's continuous service that can be counted for statutory redundancy payments is twenty years.
4. The Council requires that the full cost of any redundancies is recovered within a period not exceeding five years or by the normal retirement age, whichever is sooner.
5. Employees who are eligible to be paid a compensation payment on being made redundant, and who are members of the Local Government Pension Scheme, are given the option of converting their compensation payment (excluding the statutory redundancy payment) into augmented pensionable service. Augmentation is not an option where the compensation payment (excluding the statutory redundancy payment) purchases more pensionable service than the maximum allowable at age 65. If taken as a cash lump sum the first £30k is tax-free.
6. No compensation payments are made to employees who are allowed to retire early on the grounds of interests of efficiency of the service, irrespective of whether a voluntary request has been made by the employee or instigated by management.
7. The expression 'early retirement in the interests of the efficiency of the service' is difficult to define but the application of this scheme can be justified because: -
 - (a) it facilitates/encourages internal restructuring
 - (b) it allows for the retirement of an employee who is unable to match up to the changed requirements of his/her job
 - (c) The Local Government (Early Termination of Employment) (Discretionary Payments) (England and Wales) Regulations 2006 allow local authorities to use their discretion in the interests of the efficient exercise of that authority's functions.
8. If you retire in the interests of efficiency, you will be entitled to a lump-sum payment calculated using your actual week's pay and equating to the equivalent of the statutory number of weeks payable for redundancy, however you will not be entitled to receive a redundancy payment from the Council. It is not possible to augment your Pension if you retire in the interests of the efficiency of the service.
9. Employees aged fifty-five years or over who are members of the Local Government Pension Scheme will receive payment of early pension retirement benefits.

Appendix F – Somerset West & Taunton Council Flexible Retirement Policy

1. Employees aged 55 who are members of the Local Government Pension Scheme are able to request payment of early retirement benefits whilst remaining in the Council's employment on reduced hours or a lower grade.
2. This right does not apply to employees who are in receipt of a redundancy payment and early pension benefits or who have taken early retirement in the interests of the efficiency of the service.
3. As a guide, a business case for flexible retirement where any reduction is minimal (e.g. less than 20% either in terms of reduced hours or lower grade) may be difficult to objectively justify.
4. Requests for flexible working may be instigated by employees who meet the criteria set out in 1 above at anytime but will only be able to make one request in any 12 month period.
5. An employee should, in the first instance, approach their line manager with a request for reduced hours, more flexible working patterns by putting their request in writing.
6. The manager will notify the HR/People Team and a meeting will be arranged within 21 days to discuss the request from the employee.
7. At this point the HR/People Team will request an estimate of early retirement benefits from the Peninsula Pensions which will be provided to the employee and be used to complete the Flexible Retirement Approval Request Form.
8. The meeting between the employee, manager and a member of the HR/People Team will discuss the request and business case and will only be referred for approval if it is operationally viable.
9. If the request is referred for approval this will be considered by the relevant Director and a member of HR.
10. It should be noted that employees who are retiring in this way before their normal retirement age will suffer an actuarial reduction in their benefits to reflect early payment. In exceptional compassionate circumstances the Council has the right to waive this actuarial reduction.
11. If the request is not referred for approval this will be confirmed to the employee in writing to the employee within 14 days of the meeting. The employee would have the right of appeal against this decision which should be made in writing to the People Business Partner or HR Specialist within 10 days of receipt of the reason for refusal of the request or refusal to waive the actuarial reduction on compassionate grounds where the request is approved.
12. Appeals will be heard by a Director advised by a member of the HR Team.
