PART B

Please complete Part B to tell us what parts of the neighbourhood plan you wish to comment on. Your representation should cover succinctly all the information, evidence and supporting information necessary to support/justify the representation and the suggested change, as there will not normally be a subsequent opportunity to make further representations at a later stage. Further submissions will be only at the request of the Independent Examiner, based on the matters and issues he/she identifies through the examination.

The majority of examinations are expected to be through written representations. However, should the Inspector decide there is a need for an oral examination, please state below whether you would like to participate.

- No, I do not wish to participate at an oral examination
- Yes, I wish to participate at an oral examination

Please note the Inspector will determine whether an oral examination is necessary. If an oral examination is require, please outline why you consider that your participation is necessary.

The map should be updated to include the recent improvements made on the A3259 corridor, and there is now a network of routes through the Monkton Heathfield area and along the A38 relief road.

Please set out what change(s) you consider necessary to enable the plan to proceed, including any suggested revised wording of any policy or text, related to the objection you have raised. You will need to say why this change will enable the plan to proceed. Please be as precise as possible.

What improvements or modifications would you suggest?

The Map should be updated to reflect the current infrastructure provision.

If you have additional representations this form can be reproduced for each item. Please make sure any additional pages are clearly labelled and attached.

The policy review should be supported by reference to the recently published Local Cycling and Walking Infrastructure Plan (LCWIP) for Taunton. This identifies strategic routes that will be prioritised for funding and improvements.

Local Transport Note 1/20 also now provides guidance on the design of cycle infrastructure.

Please set out what change(s) you consider necessary to enable the plan to proceed, including any suggested revised wording of any policy or text, related to the objection you have raised. You will need to say why this change will enable the plan to proceed. Please be as precise as possible.

What improvements or modifications would you suggest?

The publication of the Taunton LCWIP and LTN 1/20 could be referenced to provide a policy context to the suggested actions.

Somerset County Council has recently published the Bus Service Improvement Plan (BSIP) for the county. The development of any bus infrastructure, which is supported, would benefit from a review and reference to this new Plan.

Please set out what change(s) you consider necessary to enable the plan to proceed, including any suggested revised wording of any policy or text, related to the objection you have raised. You will need to say why this change will enable the plan to proceed. Please be as precise as possible.

What improvements or modifications would you suggest?

The publication of the new BSIP could be referenced to demonstrate the policy context for improvements.
